

RULE 8.0 - EXAMINATIONS

8.05 - Authorized Materials in Examination Room - The examination booklet is prepared for use nationally and identifies material authorized for use. On the Fundamentals of Geology examination, applicants Examinees may bring only pencils, engineering scales/rulers, protractors, and battery operated, non-printing, non-alpha numeric calculators into the exam site where the FG Exam ASBOG examinations will be administered issued at the beginning of the morning and afternoon exam sessions. All examinations The exam will be collected at the end of the examination session. Battery-operated, silent, non-printing calculators and/or slide rules will be permitted on all examinations. Computers or laptops with word processing capabilities are not permitted nor are cellular telephones or any other technological devices that can record or transmit images or voice/sound in any format.

8.07 - Failure to Attend an Examination - In the event an applicant is unable to attend an examination to which he/she has previously agreed to attend, then the applicant must pay a cancellation fee (see Rule 4 - Fee Schedule). An applicant who fails to appear on the day of the examination will be charged a no-show fee. Non-attendance at an examination does not count as a failure of the examination. However, non-attendance at an examination session without previously providing the Board's Executive Director 24 hours in advance of the examination with a reason acceptable to the Director will result in the assessment of no-show fee and forfeiture of the examination fee.

BOARD RULE 11.0 -

11.05 - The following activities shall not require registration:

- a) Geological work performed by an employee or a subordinate of a registered professional geologist, if that work does not include responsible charge of geological work, and if the work is performed under the direct supervision of a registered professional geologist, who is responsible for that work, provided that the work nor the work related products do not state, portray or infer by any manner or suggestion whatsoever that the employee or subordinate is in responsible charge of the geology or geologic work. Any such geological work and/or work products must be conspicuously signed and sealed by the supervising registered professional geologist of that employee or subordinate.
